Acknowledgement of Country

Before we begin we would like to acknowledge the Gai-mariagal and Garigal people of this land we stand on today. Under the buildings and concrete this land is theirs and always will be. For they have kept this land alive for all these years. They have always been and always will be the traditional custodians of this land.

Sherene will be dearly missed and we thank her sincerely for the incredible contribution she has made at Wheeler Hts.

Our Critical and Creative Year 6 students have certainly cleverly covered the criteria

I was so excited to be invited to 6J's classroom yesterday morning. What a wonderful surprise I received on arrival. There was a colour explosion everywhere I looked! Lots of constructive conversation happening and every student was engaged and working collaboratively in their groups. Mr James explained that Year 6 had been working on Lego stop-motion films as part of their CCT unit. Their goal was to create a short film to demonstrate how the CCT thinking caps can be used in difficult, dangerous or awkward situations. When the students were explaining their scenes, it was evident that every student has been resourceful and reflective in creating powerful films that have an underlying message suited to most situations we find ourselves in. We are very proud of our Year 6 cohort and know that they will utilise these skills as they set off into their high school journey.

Wonderfully amazing Wheeler Way ambassador

We have many terrific students at our school and we are very proud of them all. It always warms our hearts when we see our students go out of their way to help another person or make sure someone else has a nice day. This is a shout out to a wonderful student who is friendly to everyone she comes into contact with, absolutely always shows respect, is responsible and works hard to produce her personal best at all times. Ava D, you're a star! In a recent situation, Ava conducted herself in a mature manner and we have been very proud of her. Ava is kind, caring, patient and a true friend. Thank you for helping your friend Ava and generally contributing to making WHPS the wonderfully inclusive place it is.

Mrs Priscilla Wright
Assistant Principal
Instructional Leader

You hear so much negativity in the media about the state of education and schools these days. There are too many articles, interviews and posts made about teachers' workload and burnout, the over-crowded curriculum, data-driven decisions shortages and the never ending funding wars... I could go on and on. Teaching is a complex and demanding job and yes, there are a lot of things that make it challenging, frustrating and disheartening. But there is also a lot of really good stuff. The stuff that keeps us coming back with a smile everyday. I asked my colleagues what they love about teaching, below is a little insight into why we do what we do.

Trish McCombie

I love learning everyday. I love being inspired by the great minds of the next generation. I am a big kid at heart and I love spending everyday with youthful and energetic young people. I love making a difference in the lives of children. I love being surprised and amazed by my students. I love seeing my kids grow in knowledge, confidence and skills. I love laughing everyday. I love having the freedom to be creative in my classroom.

Mrs Young 3/4Y

In what other job are you told everyday in funny little ways that you are loved, that you are important? It's magical.

Ms McCombie- 1M

I love watching children get excited about their learning. I didn't like maths at primary school so I encourage children to enjoy maths. It is extremely fulfilling to watch children improve and know that your teaching helped them to achieve their best.

Ms Earl-1/2E

What I love most about teaching is that each day is different in its own unique way. Where else can you be exposed to such a wide range of opportunities and experiences? Ranging from academic to sport to environmental to social - you name it and teaching can expose you to it. Also the holidays... who doesn't love holidays!

Mr James-6J

Light bulb moments, relationships and the ability to learn every day!

Miss Wilson-2W

I love building positive, warm relationships with students. I love showing them that learning goes beyond the walls of the classroom.

Ms Bamford-3B

I love learning and laughing with students every day on the never ending quest for knowledge! I love how every day is different - the multifaceted nature of primary teaching. I love the reciprocal energy between students and staff.

Mrs Westwood- LaST

The best bit about being a teacher is the relationships with the kids! Being able to share in their lives and make an impact is such an honour!

Mrs Wright

It's a job where you get the chance to inspire, mentor and learn not just about your students but about yourself. It's a job where you get the chance to find the very best in each child.

Ms Waldock- 5M

PSSA Match Reports

Jnr Boys Cricket

On Friday the junior boys cricket team walked up to Plateau Park to play against Narrabeen North Public School. The game was very close but we came away with the win 126-81. The MVP was Bowen M for his best performance as a Wheeler Heights batsman for not getting out in the 2 overs he was batting. Bowen's batting technique was very unusual but was very effective. The game was very fun and I'm looking forward to next week. **Connor W - 5S**

Snr Boys Cricket

Hi, my name is Ollie M. The Senior Boys Cricket and I walked to Plateau Park to play against Narra North. It was an intense game but the score was 60 to 76 their way. We could have won by catching some sitters but hey, it's okay to lose some times. We had lots of great teamwork with Tyson B getting 2 wickets in a row. What a pro. I found it well that both teams had great sportsmanship and that it was a close game but they had a bit more teamwork, and they just edged us as mentioned but you lose, you learn. We learned that we should smash the balls and it doesn't matter if you get out because not everyone's perfect and you could be better at soccer than cricket. Thanks to Mr James for coaching us and taking us along and thanks to all the boys for having a great day and a good game. **Oliver M – 6J**

Jnr Girls Cricket

On Friday the 18th of October the junior girls cricket team travelled to Rat Park by bus to verse Narrabeen North Public School in PSSA cricket. The match was quite tough but in the end the score was 103-77 our way. The MVP was Lily W for an awesome all round effort. An amazing highlight of the game was when Charlie W did an amazing run out. The team and I would like to thank Mrs Young for coaching us. **Kirra B - 4R**

Snr Girls Cricket

On Friday 18th of October, myself and the senior girls went to Rat Park and played a game of cricket. We all played very well and lucky for us we won 105- 85. We played Narrabeen North and the MVP was Alannah C for a great game and beautiful 4's. We'd like to thank Mrs Young for coaching and reffing our game. Just a heads up for Isla A for some scorching 6's and 4's. **Chelsea - 6J**

Snr Boys Softball

On Friday 18th October 2019, the senior boys softball team travelled to Boondah Park to play against Narrabeen North. It was a very intense game and the final result was a 2-2 draw. The MVP was Christian L who tricked the opposition and played fantastically! A massive game changer in our extremely exciting game was when Byron F hit a home run on Wheeler Heights first hit of the game! **Callum H - 6J**

Snr Girls Softball

My name is CJ W and I am from the Senior Girls Softball Team. On Friday the 18th of October we played against North Narrabeen Public School at Boondah Reserve. Though the game was tough, full of lots of yelling and incorrect calls we were successful, winning 3 – 1. When the PSSA bell went the Softball teams trundled to the table outside 5M, awaiting instructions from Miss T who was our substitute coach. Without a clue of what was going on, she was bombarded with requests and complaints for positions from the boys and questions from clueless girls. As we finally reached our designated bus Miss T had a headache, yelling for everyone to be quiet. Miss Bamford and Miss T started debating on where we were playing, confusing the bus driver. As we pulled into Rat Park, Mrs Young stared at our bus questioning why we were here. Eventually we learnt we were supposed to go to Boondah. As the bus stopped for a second time this time at Boondah we were a few minutes late. As we approached the diamond we noticed we were again wrong about the location, for North Narrabeen's T-Ball team stood in front of us. When we finally saw the oppositions Softball team we were over 10 minutes late! Aside from this confusion we had a frustrating and fun game. **CJ W - 6A**

Jnr Boys T-Ball

*On Friday the 18th of October junior boys T-ball played at Boondah reserve and played Narrabeen North. The score was 12-6 our way. We had fun hitting alot of home runs we also had some good catches. Everyone in the team was cheering. We had a lot of fun. **Sylas C - 4Y***

Jnr Girls T-Ball

*On Friday me and the junior girls T-ball team went to Boondah, but sadly Miss Bamford got the field wrong so we were late to the game. The game was actually at Rat Park against Narrabeen North. We had a great game and won 14-10, so we have had an amazing start to the term. The MVP was Mackenzie P for getting an amazing tag and getting someone out. A good highlight of the game was when Mackenzie P did a really big hit and we got two home from it. **Kyah S - 4J***

Jnr Boys Tag

*On Friday the 18th October the junior boys tag team played at Boondah. The whole team has made a big improvement from last couple of terms, but unfortunately we lost 3-7. We look forward to next week. **Morgan P - 4R***

Snr Boys Tag

*On Friday the 18th October the senior eagle tag boys travelled to Boondah to play against Narrabeen North public school, it was a very exciting game. We sadly didn't win because of a great team. The score was 0-6 though the team played very hard we just couldn't pull it through. The MVP was Alfie H because he had played amazingly good and no one could blame him. As the team was shocked we are still keen for next week. **Pierce G - 6J***

Jnr Girls Tag

*On Friday me and the junior girls eagle tag played at Boondah against Narrabeen north. It was a great game and the score was 3-4 Narrabeen's way. The MVP of the game went to Eva D for a great try and being supportive while playing. The best part of the game was when Erin H scored a great try in the game. It was a great day of PSSA. **Mikaylah W - 4J***

Snr Girls Tag

*On Friday the 18th of October, the senior girls eagle tag team went to Boondah to have a friendly game of eagle tag. The girls played very well with only 1 sub. We ended up having no subs because Ebony D hurt her wrist and was unable to play for the rest of the game. The game was very enjoyable but we sadly lost 2-4 to Narrabeen North. Our coach Ms Waldock was cheering us on and kept us all going. Our MVPs (Most Valuable Player) were Alannah C and Meisha E because they scored a marvellous try each. **Chloe W - 6J***

Match reports compiled and edited by Josie J & Imogen L – 6J

Sydney North Athletics Carnival

On Wednesday 16 October, WHPS had several very talented athletes participate at the Sydney North Athletics carnival at Homebush. Each student competed to the best of their abilities and were great representatives of Wheeler Heights. A special mention to Connor W for placing 2nd in high jump, Ewan K and Ebony D for making the 100m final and to the Jnr boys relay team for making the final. Good luck to Connor at the upcoming state athletics carnival.

Please ensure you have downloaded the Pittwater Team App and the Flexischools App, so you can keep up to date with all information related to PSSA, carnivals and gala days (all draws, calendars and results are posted and updated regularly).

BECOME A VOLUNTEER ETHICS TEACHER AT WHEELER HEIGHTS PUBLIC SCHOOL

At Wheeler Heights Public School we are fortunate to be able to offer ethics classes to all students currently enrolled. However, many of our classes are beyond capacity and without additional ethics teachers we will not be able to offer these classes to all current and future students.

All ethics class teachers are volunteers (parents, grandparents or other community members) who can spare half an hour a week to run the class. All volunteers receive full training through online modules and a comprehensive 2 day workshop. It's a fun, rewarding and interesting curriculum for both students and teachers, with full lesson plans provided by Primary Ethics.

The curriculum aims to help children develop a life-long capacity to make well-reasoned decisions on ethical issues. Children discuss topics such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- homelessness

We hope students will become informed and inquiring adults with the ability to recognise ethical issues and explore them with others in a considered, productive and respectful way.

At Wheeler Heights Public School, Ethics classes run on a Wednesday afternoon 2-2:30pm and 2:30-3pm. For more information about the program or to find out more about volunteering please visit www.primaryethics.com.au or contact:
