Acknowledgement of Country

Before we begin we would like to acknowledge the Gai-mariagal and Garigal people for looking after this land and the memories, spirits and connections it came with. Under the metal structures, roads and concrete this will always be their land. We will forever respect their culture.

Kobe W – Year 6

*Congratulations to **Josie J** who was recently a member of the Regional Debating team who competed in seven impromptu debates over a few days. Josie was third speaker in the final which her team won. A wonderful achievement Josie.*

*Congratulations to **Monique W** who was awarded a special certificate last Saturday at the Aboriginal Education awards at Brookvale TAFE. Monique is a fine leader and role model for our school and was a very worthy recipient.*

*Well done to our **Jazz Band** members who played last Sunday at the Pittwater RSL Club as part of the Big Band Boom. Special thanks to Anthony MacDermott for coordinating this opportunity.*

*Yesterday was the **Training Band Musicale**, with many band members performing solo or group pieces displaying their skills and great improvement over the year. This afternoon will be the Intermediate and Senior Band Musicale.*

Remembrance Day Services

On Monday, we had a lovely K-6 Remembrance Day Assembly at school. Hayden Wu played the Last Post beautifully and Year 5 students ran the assembly reading poems and reflections from former servicemen and women. All students wore poppies which they had made in class. Special thanks to Mrs Sullivan for coordinating the service. Our Senior Choir, with Mrs Radom and Mr Strozer, sang at the War Veterans Village as part of their service.

Trivia Night

What a fabulous night was had by all at the Trivia Night on Saturday. Congratulations to our fundraising team of Jo Golding Lowe, Fiona Simmat, Yvette Dee, Julie Hannah and their band of husbands and many many helpers who worked so hard before the night, on the day and after the event to ensure it all ran so smoothly.

Congratulations to the winning Trivia Team, 'I am Smartacus' and special thanks to Belle Property who attended, ran the live auctions and so generously support our school.

Once again thank you to our wonderful parent and community body for dressing up so creatively and helping to raise funds for Wheeler Heights.

University of NSW Competitions

Congratulations to award winners in the recent University of NSW ICAS Tests. Certificates for Spelling, Digital Technologies and Science will be handed out at next Monday's 9.15am assembly. Each year we seem to have less participants and we will be looking at the viability of these tests for next year.

Canteen Manager

Thank you to Sherene & Kerrie who are kindly continuing to work in the canteen while we are filling the manager role.

The Canteen Manager position has been re advertised, please see the flyer later in the newsletter. Also, please see the note later in the newsletter for the Canteen Convenor and Secretary positions. Please be sure to mention these positions to friends or colleagues who may be interested.

Reports

Once again, this semester, the reports will be emailed to all parents. Please ensure you inform the school office if your email address has changed.

Helpers Breakfast - Thursday 21 November from 8.15-9am

I'm sure many school parents have already received the Helpers Breakfast invitation. We hope that parents and community members who have assisted in any way at school this year will be able to come along. We always endeavour to ensure that all eligible parents receive an invitation but occasionally we do miss a parent or the note may go astray - invitation is below! Please be sure to pass the word out to your friends so that they come along.

Once again we are very fortunate that the Jazz band will be playing for us.

Could you please send your RSVP's to the office to assist with catering numbers.

Commonwealth Banking

Recently, the P&C and school staff have been discussing the School Banking program run through the Commonwealth Bank. You will no doubt have heard discussion in the media about the questionable benefits of such programs and whether primary schools should be so closely aligned to one particular banking group. Also, each week there is a large amount of administration which our Admin staff complete for which the school receives a small commission. Consequently, as have many many other schools, we will not be participating in the program in 2020. Please see more information in the From the Office section below.

End of Year Dates

Please be sure to read the school calendar on the right hand side of the newsletter, each week. Some dates have been confirmed or amended for important end of year activities.

David Scotter
Principal

FROM THE OFFICE

Commonwealth Student banking will not continue at Wheeler Heights Public School in 2020. Your child's account will remain open, you can continue to use this account yourself.

If your child has enough tokens to claim a reward please:

Complete a Rewards Card slip by writing in your details and ticking the item you would like to redeem

Place the slip in your yellow Dollarmites wallet with your 10 Silver Dollarmites tokens and hand in with your School Banking Deposit.

There are a number of children that are close to receiving a reward (need to bank 3 more times). We will continue processing banking until Monday 2 December, as soon as your child is eligible for a reward, please complete the rewards card slip. This will need to be done by our last banking day. We have the list of current eligible children, as well as the children requiring a few more tokens. Please contact the office if you need clarification.

MASTERFUL MATHEMATICIANS AT THE MATHS CHALLENGE CAMP

Four of our students were selected to attend the annual Maths Challenge Camp. The tasks students were engaged in over the two days generated a lot of discussion and deep thinking about big ideas in mathematics. They were designed to reflect the theories and patterns generated by eminent mathematicians. Most tasks used the principles of space and geometry to promote the search for patterns and relationships. The culminating task brought all these ideas together as the students worked together to build a life size geodesic dome. Our students were a credit to themselves. They were friendly, well-mannered and open to learning. The organising teachers were so excited to watch them explain their thinking and generate ideas. Congratulations Maya, Madi, Calum and Campbell, you were wonderful ambassadors for our school.

PUBLIC SPEAKING FINALS - Stage 2 and 3 Public Speaking Finals – Young Communicator Awards

Gosh we have amazing public speakers at WHPS. Every year the standard is rising and we are so proud of each and every student for the amazing effort they put into their preparation! Well done everyone! The Stage 2 and 3 Public Speaking Competition finals were held last Thursday and today. *All we can say is WOW!* The standard of speeches was particularly impressive this year, not only in the presentation but also the content within them. During the Stage 2 final, the audience learnt about important environmental issues such as global warming and plastic pollution. The Stage 3 audience was lucky enough to hear about extremely inspirational people and leaders. The effort all finalists had put into their presentations was exceptional and a credit to each and every one of them.

The finalists were judged on their clarity and volume, pace and timing, expression and the content of their speech. All adjudicators (Mr Scotter and Mrs Wright – Stage 2, Mr Scotter and Ms Waldock – Stage 3) had a very difficult time choosing a winner from each year and it was only after much deliberation that the winners were announced (see below). These students will receive the coveted Young Communicators Award at the 3-6 Presentation Day Assembly on Thursday 12 December.

Year 5 Winner – Joshua S
Year 6 Winner – Alana C

Year 3 Winner – Everett M
Year 4 Winner – Kai K

A massive thank you must go to Ethan T, Gemma C, Heath M and Chloe B for doing an amazing job of announcing during the finals. Miss Smithies and Mrs Sullivan were wonderful organisers of these events and I thank them for their work. Again, a massive congratulations to all students for your efforts this year.

REPORTS

At this time of year, teachers are busily writing reports after watching their students learn and grow throughout the year. A great deal of time and effort goes into reports and ensuring the grades given and comments made reflect the abilities of each and every individual. Many hours of teachers' own time are put into these documents. We are very lucky to have such a professional and caring staff at WHPS and I thank our teachers for their time and commitment to our students. Reports will be sent out towards the end of term and we are planning to email them, rather than print, again this semester.

MAGNIFICENT AND METHODICAL MATHEMATICIANS ON STAGE 2

Our wonderful Stage 2 teachers organised an amazing mathematical treat for their students last week. The students were involved in a hands on maths day rotating around five activities covering mass, capacity, position, patterns and algebra and 3D objects. All students were engaged and having a ball when I visited. As you can see from the photos there was lots of discussion and mathematical thinking going on. Thanks to our Stage 2 teachers for creating this opportunity for their students.

REMEMBRANCE DAY

A special Remembrance Day assembly was held at school on Monday 11 November to commemorate the servicemen and women who have served in wars around the world. The assembly was seamlessly run by Year 5 Students: Lewis G, Erin H, Ewan M, Isla A, Tyson B and Isaac P. K-6 students listened respectfully while Erin W and Lennox C read very moving personal accounts from two residents at the War Vets in Collaroy Plateau. Thank you to Helen Johnstone for recording these precious memories. The Last Post and the Reveille were played beautifully by Hayden W. Staff were very proud of the respectful behaviour of all students during this solemn assembly. Thank you to the parents who attended. Below is a beautifully written poem by one of my students, Eva D.

Mrs Sullivan
Organising Teacher

Remembrance Day
As the poppies flow,
In the swaying wind,
And the crowd grows,
When the birds start to sing.

When the sun comes up,
We all will remember,
Those who fought for us,
Right before December.

Respect is the answer,
To this important day,
When the soldiers began to march,
We all started to pray.

Some family members were lost,
And none of them can be replaced,
Some say it can be sad,
But some just like to embrace.

SENIOR CHOIR PERFORM AT THE RSL ANZAC VILLAGE

The Senior Choir performed the song 'Goodbye Captain' at the RSL ANZAC Village Remembrance Day Service on Monday 11 November 2019. There were several audience members with a tear in their eyes as we sang. At the conclusion of the service we received many positive comments. The students were a credit to our school in terms of both their performance and behaviour. Congratulations Senior Choir.

Mrs Rosemary Radom (Senior Choir Teacher)

DEBATING

Congratulations Josie J! I am beaming with pride because Josie won the 2019 State Debating Championship as part of the Northern Sydney Representative team.

Josie was the third speaker and anyone who has seen her perform as part of the WHPS debating team will know that she is a very passionate and persuasive debater. North Sydney defeated the Illawarra & South East team in the grand final by successfully affirming the topic "That we should ban students from bringing unhealthy food to school."

Tony Davey informed me that it was the closest primary school tournament he had ever run because seven of the ten teams won three or more of their five debates to qualify for the semi-finals!

We wish Josie the best of luck in the future as a high school debater!

ATTENTION YEAR 4 PARENTS MILSON ISLAND IS JUST AROUND THE CORNER!

I'm sure you are aware, as the students (and teachers) can hardly contain their excitement ... Our Milson Island Camp is just under 3 weeks away! The final instalment was due last Thursday. Thank you to those families who have paid. A friendly reminder for those who have not yet completed the payments, could you please fix this up with the lovely ladies in the office ASAP.

We are still waiting on 12 Medical and Consent forms. For those who have not yet completed this, could you please complete the form online at:

<https://sportandrecreation.nsw.gov.au/facilities/medicalandconsentform>

You will need to use the following details when submitting your child's information.

Booking Number: 553577

Booking Start Date: 2/12/2019

Booking Venue: Milson Island Sport and Recreation Centre.

The camp needs this information by next week at the latest to ensure our students are well looked after.

The parent information sheet can be found online at:

<https://sportandrecreation.nsw.gov.au/facilities/schools/parent>.

This provides details for parents and students about what to pack, what sort of facilities the students will have, medical information and more. We ask that you allow your child/ren to do most of the packing and just assist where necessary to promote higher independence.

A few students are a bit anxious about attending camp (with nights away from home, medical issues or special sleeping conditions being the major concerns). This is totally normal. Please be assured that we are very understanding of any issues and will do everything we can to make sure every child has a wonderful camp experience. As we have said before, it is not only a very enjoyable excursion for all students who attend, but also an important social experience that can greatly aid independence and maturity.

We are looking forward to three fun and exciting days of camp!

Assistant Principal (Relieving) Stage 2
