### **Traffic and Pedestrian Safety**

Each week parents, neighbours and community members email and talk to me about various unsafe behaviours around our school. I'm sure that we are all familiar with the traffic rules but sometimes we think if we are in a hurry or running a little late we can cut a few corners. PLEASE do not ever compromise when the safety of our students and community is in danger. Teachers regularly chat with their students about safe behaviour in and around our school. I again ask for your support in this matter.

### **Reports**

Once again, this semester, the reports will be emailed to all parents. Please ensure you inform the school office if your email address has changed.

Principal

# **Mrs Wright's Wrap Up**

### **SENSATIONAL, TERRIFIC, ENERGETIC, AMAZING AND MARVELLOUS THINKING HAPPENING IN OUR STEAM ENRICHMENT GROUP**

Mrs Hammond is having so much fun with her STEAM Enrichment group. I loved visiting them last week. Working in pairs the students had been given 25 minutes, a roll of tape and loads of straws and were asked to create a tower type structure which could stand alone. Some were successful and others not so much, but the critical and creative thinking that was happening was incredible. No two structures were alike and when the students explained the reasoning behind their choices I was absolutely blown away. In previous weeks they've completed other challenges. They worked with varied materials to create catapults and then challenged each other to see who could send a small pom pom the furthest distance. They also followed specifications to create a paper plane and then had to make modifications to it and see whose plane flew the furthest distance. A huge thank you to Mrs Hammond for making these opportunities possible for our students.

### **AMAZING AND ABSOLUTELY AWESOME ARTWORK COMING TOGETHER IN OUR AMENITIES BLOCK**

We are so lucky to have incredibly creative and talented parents at our school. Susie P, mum of Charlie, Honor and Olivia is kindly creating magic in the girls' amenities block. Although she isn't yet finished, as you can see from the photo, she has made a wonderful start and our students are excited by what is to come. These artworks complement the work Kate M, mum of Charlie, has completed in the boys building. A gigantic thank you to these parents for the work they are doing for all to enjoy! You truly are talented and appreciated.

## ARTIFICIAL GRASS AREAS A COMPLETE AND UTTER HIT WITH OUR KIDS

We knew the artificial grass had made a huge transformation to our playground areas aesthetically, but, it is so incredible to see the difference it is making to our students each and every day. As you can see so many of the children are enjoying the spaces and getting to enjoy time with their friends in such lovely environments. Thank you to the P&C for assisting us in making these areas possible for our students.

Assistant Principal  
Instructional Leader

## SRC (STUDENT REPRESENTATIVE COUNCIL)

### Save Water Poster Competition

All students from K-6 are invited to create a poster for our poster competition, to encourage people to save water.

The SRC representatives from each class have been talking to their classes about why we need to save water and how we can save water. Due to the drought, this is an extremely important message.

Posters will be displayed in the library and there will be certificates and canteen vouchers for the best posters. Students can draw, paint or use a computer to create their poster. The size should be A4 or A3. Please bring me your poster by **Friday Week 8 (6 December)**. Thank you to the students who have already submitted posters.

Included here are two wonderful examples from CJ W and Monique W.

Miss Earl  
SRC Coordinator

## P&C NEWS

Oh, what a night! The inaugural WHPS Trivia Night certainly didn't disappoint in 2019.

We had nearly 300 people in attendance and the night raised around **\$23,000!**

This is a huge accomplishment and one that the whole school community should be proud of. We have received SO MUCH positive feedback and it was great to see everyone having such a good time on the night.

There were a stack of game prizes, raffle prizes and silent auction items up for grabs so congratulations to all the lucky winners of those.

The Fundraising team would like to thank the 30+ volunteers for all their help in the lead up, and at the event, Nick Duchatel and the Belle Property team for their attendance and auction expertise for the LIVE auction (which raised nearly \$3,000) and all the table sponsors and businesses who contributed prizes and donations.

We would also like to thank the office ladies (who have become our new best friends!) for their support in the planning and also the organisation/coordination of the prize distribution – they do a fantastic job!

It couldn't have been as successful without you all, and we truly appreciate it!

Let's do it all again in 2020.

### BUS & ROAD SAFETY

**Children are most at risk in the minutes after getting off the bus.**

To improve safety:

- Wait until the bus has gone, then use a **safe place to cross** e.g. school crossing
- Model safe pedestrian behavior. **Stop! Look! Listen! Think!** every time you cross the road and keep checking until safely across.
- Up until at least 10 years old, **supervise** closely and **hold your child's hand** when crossing the road.
