Presentation Days

Staff are busy planning the approaching Presentation Days. As was the case last year, the school will be phoning the parents of children who will be receiving an award at one of the Presentation Days. We do ask that you consider keeping this news as a surprise for your child.

Yr K-2 Presentation Day: Friday 13 December at 9.30am

PCS Emotional Health Survey

Over 150 students from Years 4-6 recently completed the online Emotional Health Survey conducted by the 15 local Peninsula Community of Schools (PCS). Phone calls are being made and/or letters are currently being mailed to the parents of students who may have scored highly on a number of specific criteria identified by the survey.

If you are in need of more information or assistance please speak to our school counsellor Lisa Terrill, Mrs Wright or myself.

Please be assured that all information and discussion will be highly confidential.

Stop Work Meeting

The NSW Teachers Federation has called on its members to attend a stop work meeting on **Thursday 5 December at 9am**.

As almost all the teachers from Wheeler Heights PS will be attending the meeting, there will be **very minimal supervision at school until 10.30am, when normal classes will resume.**

This is not a strike.

Why is it important to distinguish between a strike and a stop work meeting?

A strike occurs when there is a dispute between the employee and the employer, which is not the case in this situation. This meeting is about the negotiation of our new two year salaries award. The last time teachers stopped work was three years ago for the same reason. We don't like missing school either, but this is important.

Why can't the meeting be held outside school hours? It is standard practice in all fields when negotiating a salaries and conditions contract that it be done in working hours; and also, trying to organise 60,000 employees to meet at one time is a VERY BIG JOB.

Mrs Wright's Wrap Up

HEAVENLY HARVEY'S VISIT TO THE SPECTACULAR KS

Our munchkins in KS and Miss Migan were bursting with excitement on Tuesday when they had two very special visitors. The lovely Mrs Smith came in to let the children meet her gorgeous little daughter, Harvey May. Harvey is only four weeks old and extremely divine so there were many 'ooohhhhhsss' and 'ahhhhhhhsss' happening during the visit. Welcome to the Wheeler family little Harvey. You are very loved by us all! Congratulations again Mrs Smith, we think you're very clever!

TALENTED TEACHERS HAVING A BALL DURING PROFESSIONAL LEARNING

For our Wellbeing Week Teacher Professional Learning afternoon last Wednesday Mr Scotter organised a fun and educational experience for our staff. Our WHPS teachers are an incredible team who work so well collaboratively. We worked with Drum Corp for the afternoon and realised that some of us are more coordinated musically than others! Who knew it was so tricky to bang a drum stick on the side of a drum whilst spinning the other one around to hit the middle of the drum straight after? Phew... it was a great workout! We learnt three drumming 'tricks' and eventually put them all

together to be able to play along with Maroon Five's *Move Like Jagger* song! It needs to be noted, we sounded absolutely terrific! Drum Corp offer programs to schools which cover various syllabus requirements in an extremely engaging way. Our teachers loved the program and we are looking at the possibility of incorporating it into our student learning programs in coming years.

MARVELLOUS MATHEMATICIANS RECEIVE MATHS OLYMPIAD AWARDS

Mr Scotter worked with a group of Year 5 and 6 students who exhibited a talent in thinking mathematically for a session each week during Terms 2 and 3. The students undertook Maths Olympiad challenges. These tasks are extremely complicated, time consuming and demanding. We were tremendously impressed with our students this year as many of them achieved fantastic scores each week. A number of students were awarded prizes for their commitment or ability. Keilana S was outstanding and even though she was absent for one test still managed to achieve 17/20! An incredible result! Congratulations to Keilana and all our students on not only their results but also their attitude and commitment to learning.

2020 LEADERSHIP TEAM NOMINEE SPEECHES AND ELECTIONS

Congratulations to our 2020 Student Leadership Team nominees for their wonderful speeches on Tuesday. They all showed a great deal of maturity during the process and we wish them all well. Thank you to the Year 5 teachers for coordinating the process. Captains, Vice Captains and Prefects will be announced at Presentation Day on Thursday 12 December.

PRESENTATION DAY AWARD WINNERS NOTIFICATION

As we did last year, we are again phoning parents of students who will be receiving an award at any of the presentation days this year. These calls have been or will be made by Friday of this week to allow people time to organise attendance if possible.

EXCELLENT AND ENTHUSIASTIC BEHAVIOUR DURING EMERGENCY AND EVACUATION DRILLS

We were so proud of our students and their mature and sensible behaviour during the process of emergency drills this week. They were involved in a lockdown drill followed by an evacuation drill. All students from Kindy to Year 6 conducted themselves beautifully and we are certain they are aware of their responsibilities if ever one of these events happen. We conduct these emergency drills a number of times each year to ensure our students and staff are confident and safe if ever a real emergency was to occur. Congratulations to all students and staff on their efficient and practical conduct.

Mrs Priscilla Wright
Assistant Principal
Instructional Leader

Attention Year 4 parents... Milson Island is next week!

I'm sure you are aware, as the children (and teachers) can hardly contain their excitement... Our Milson Island Camp is next week! The final instalment was due 7 November. Thank you to those families who have paid. A friendly reminder for those who have not yet completed the payments, could you please fix this up with the lovely ladies in the office ASAP.

We will be meeting at Newport Wharf (at the end of Queens Pd) at 7.45am (ferry will leave at 8am) on Monday 2 December and return to Newport Wharf on Wednesday 4 December at approximately 2.30pm. If you cannot drop your child at the wharf, you can organise with another family to carpool. If you are having difficulty, please see your class teacher.

The entire parent information sheet can be found online at <https://sportandrecreation.nsw.gov.au/facilities/schools/parent>. This provides details for parents and children about what to pack, what sort of facilities the children will have, medical information and more. We've included the list of what to pack below to assist the students in ticking off their requirements. We ask that you allow the children to do most of the packing and just assist where necessary to promote higher independence.

What to Bring:	What <u>NOT</u> to bring:
<p><u>Please label all clothing, towels and sleeping bag with your child's name.</u></p> <ul style="list-style-type: none"> • Shorts and t-shirts (no singlets, sleeveless or midriff tops) • Jeans • Jumpers and tracksuit pants • Socks and underwear • Raincoat • Pyjamas • Swimming costume and rashie shirt • Sunscreen, sun hat and sunglasses • Two pairs of running shoes (one old pair to wear in the water) • Toiletries, soap, lip balm and insect repellent (no aerosols) • Two towels • Pillow, sleeping bag or doona and two single flat sheets • Day backpack • Paper, pens or pencils • Plastic bags for dirty or wet clothes • Medication (if required) • Handkerchief or tissues • Water bottle <p>Optional</p> <ul style="list-style-type: none"> • Camera • Up to \$30 for souvenirs 	<div data-bbox="1050 853 1353 1043" style="text-align: center;"> </div> <ul style="list-style-type: none"> • Mobile phones and other electronic devices (these will be taken by teachers if brought by students) • Aerosol cans (i.e. spray-on deodorant or insect repellent) • Lollies or chewing gum • Jewellery • Anything valuable (<i>The Office of Sport takes no responsibility for the loss or damage to a client's personal property, including money or other valuable items</i>)

A few students are a bit anxious about attending camp (with nights away from home, medical issues or special sleeping conditions being the major concerns). This is totally normal. Please be assured that we are very understanding of any issues and will do everything we can to make sure every child has a wonderful camp experience. As we have said before, it is not only a very enjoyable excursion for all children who attend, but also an important social experience that can greatly aid independence and maturity.

In case of emergencies, parents can contact the centre at Milson Island between 8.30am and 5.00pm Monday to Friday on 9985 9261. Otherwise you can contact the school and they will contact us at camp.

We are looking forward to three fun and exciting days of camp!

Assistant Principal (Relieving) Stage 2

SRC (STUDENT REPRESENTATIVE COUNCIL)

Save Water Poster Competition

All students from K-6 are invited to create a poster for our poster competition, to encourage people to save water.

The SRC representatives from each class have been talking to their classes about why we need to save water and how we can save water. Due to the drought, this is an extremely important message.

Posters will be displayed in the library and there will be certificates and canteen vouchers for the best posters. Students can draw, paint or use a computer to create their poster. The size should be A4 or A3. Please bring me your poster by **Friday Week 8 (6 December)**. Thank you to the students who have already submitted posters.

Included here are two wonderful examples from CJ W and Monique W.

Acknowledgements

For a school to be as successful in sport as Wheeler Heights, there is an incredible amount of work that needs to be put in behind the scenes week in and week out. I would like to make a few 'shout outs' to those who have made this sporting year so amazing for our students and school community.

Firstly, to our Principal, Mr Scotter – who not only leads our academic success, but is very much invested in sport across the school. You will always find him at gala days and zone carnivals and he loves to hear how our students go each Friday at PSSA. His passion is infectious and we are very lucky to have him at our school. Another key figure at our school is our sports coordinator, Mrs Young – her tireless work organising PSSA trials, trainings, carnivals, school sporting events and just generally being a one stop shop for any question we have or advice we need. She has made a huge impact on the success of our school and is the forefront of the amazing culture we have here at Wheeler Heights.

To our amazing office staff and SLSO's. Each week our first aid bags are packed, buses are booked and not a single band aid is out of place. These unsung heroes have made the coaches job so much easier and we are all very thankful for the work that you do. To my fellow coaches, you have all done an exceptional job! Volunteering your time with an incredibly busy schedule is never easy, but the professionalism and dedication you have put in makes me very proud and is amazing to be a part of. Additionally, to all staff who have helped out in the running of carnivals and home sport – a big thank you to all of you. Your tireless efforts have not gone unnoticed and I'm sure every student and parent is appreciative of the effort you have put in.

Lastly, to our incredible parent community. Thank you for your continued support of sport here at Wheeler Heights. From transporting students, to cheering the victories and supporting the losses. You have been pivotal in creating a culture of respect and fair play amongst our students. I know your children love having you support them and I hope your passion continues long into the future.

Yours in appreciation,
Mr James
