Acknowledgement of Country

*We would like to acknowledge the caretakers of the land and the connection they have to it.
 We will always take care of and respect our land. We will make sure our school always
 respects Aboriginal people and Elders.
 Leo P – Year 2*

Good luck to our Training Band who are performing at Pittwater HS on Sunday afternoon. This will be the first public performance for the youngest members of our band program. Special thanks to Band directors, Anthony MacDermott and Kinsey Alexander, who have prepared the Training Band so well.

School Community Charter

Please see the School Community Charter in this newsletter and displayed around the school. This document has been prepared by the NSW Department of Education and outlines the responsibilities of all parents, carers, educators and school staff. Sadly, there has been a number of recent examples of inappropriate behaviour towards teachers, staff, children and other parents at our school and at other local schools. Please be sure to carefully read the document and strive to always be the correct role model for our children. We must work together to ensure our learning environment is collaborative, supportive and cohesive.

Semester One School Reports

This year, student reports will be emailed to parents rather than hard copies sent home. If you have changed your email address please ensure the updated address has been provided to the school office as soon as possible. We expect that reports will be issued in the last week of this term.

Attendance at School

We have had a growing number of students who are arriving late, leaving early or consistently absent from school. This is concerning as the more time students spend away from school the more risk there is of them falling behind. Please see chart on the following page which may put student absences into perspective for parents.

School Community Charter

Collaborative. Respectful. Communication.

The following School Community Charter outlines the responsibilities of parents, carers, educators and school staff in NSW public schools to ensure our learning environments are collaborative, supportive and cohesive.

What our schools provide

NSW public schools work to create positive environments for students, staff and the entire school community that support student learning. We strive to ensure that every student is known, valued and cared for.

The best education happens when parents and schools work together.

The School Community Charter aligns with the NSW Department of Education Strategic Plan 2018 - 2022.

Positive environments

It is important that our NSW public schools are positive environments and that parents and carers are kept informed of students' progress and school announcements.

Parents and carers can expect:

- to be welcomed into our schools to work in partnership to promote student learning.
- communication from school staff will be timely, polite and informative.
- professional relationships with school staff are based on transparency, honesty and mutual respect.
- to be treated fairly. Tolerance and understanding are promoted as we respect diversity.

Ensuring respectful learning environments for all members of NSW Public Schools communities.

© NSW Department of Education

We treat each other with respect

We prioritise the wellbeing of all students and staff

Unsafe behaviour is not acceptable in our schools

We work together with the school

We create collaborative learning environments

We all play a part

We work in partnership to promote student learning

Communicating with our schools

Our staff will find a time to talk to you when they can give you their full attention. Please remember that while our staff are in class or dealing with other matters, they may not be available to answer your questions immediately.

Our schools and communities will make sure that written communication is appropriate, fair and easy to read. We encourage you to use email and social media appropriately to connect with your school and stay up-to-date with up-coming events in the school community.

Our guide for parents, carers and students provides useful information about the complaints process: education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students

Respectful communication is a right

In all workplaces people have the right to feel respected. Unacceptable and offensive behaviour has no place in our school communities.

To ensure the wellbeing of students, staff and the community in our schools, steps will be taken to address unacceptable behaviour. This may include restricting contact with the school community or, in more serious cases, referral to NSW Police.

Unacceptable behaviour may include but is not limited to:

- Aggressive or intimidating actions, such as violence, threatening gestures or physical proximity.
- Aggressive or intimidating language, including the use of obscenities, making sexist, racist or derogatory comments or using a rude tone.
- Treating members of the school community differently due to aspects such as their religion or disability.
- Inappropriate and time wasting communication.

Collaborative. Respectful. Communication.

"VOICE. TREATY. TRUTH" ART EXHIBITION

The Peninsula COMMUNITY of Schools 'Voice. Treaty. Truth.' NAIDOC Art Exhibition will open on Thursday 20 June 2019 and will remain at Warriewood Square for ten days.

This exhibition will showcase work from Kindergarten to Year 12 from all fifteen PCS Schools. There will be incredible artworks by WHPS students involved in the exhibition (a selection is included below). We have QR codes attached to the artworks which include further information about the pieces and the reasons behind them. This interactive component creates further connectedness across the whole community.

A massive thank you must go to Miss Smithies, Mrs Radom and all students in Years 3 and 4 for the amazing canvas artwork they have created, Miss Wilson and 2W for their incredible natural artworks which have been photographed, Mrs Miller and 5M students for their brilliant native rose pieces and Mr James, Malie, Zoe and Year 6 for their thought provoking 'Through the progressive lens' artwork. Thank you also to Miss Smithies and Miss Wilson for joining me at committee meetings and assisting in the organisation of this event for our students.

On the following page you will find an invitation to the official opening of the art exhibition. We had many students, teachers and their families attend this event last year and all thoroughly enjoyed the experience. You cannot help but be moved by the artworks and the ideas and thoughts behind them. The talent of public school students in our area is quite extraordinary! Do yourself a favour and join us for this remarkable event!

WONDERFUL STUDENT VISITS

Mr Scotter and I are lucky to be visited by many students showing us the wonderful work they are doing in their Wheeler Way classrooms. Last week I was very excited to not only see fantastic neat and tidy writing but to get to read personal reflection pieces by Bobby, Neo, Ruby and Ava of 3B. I learnt something about each of them that I didn't already know and it was terrific to see them taking pride in their work and discussing things they are grateful for. Well done kids! Keep up the awesome work!

GOT IT! PROGRAM

Getting on Track in Time (*Got It!*) is an exciting school-based early intervention program supporting children in their social and emotional development. It is a joint initiative between NSW Health and NSW Department of Education. The *Got It!* program will be implemented at Wheeler Heights Public School in Terms 3 & 4, 2019.

Today, all parents who have children in Kindergarten to Year 2 have been sent information regarding the program and have been asked to complete a screening questionnaire to help identify children who may be suitable for the program, and to help evaluate the effectiveness of the *Got It!* program at our school.

The GOT IT! Team will be providing further information at our next P&C meeting to be held on Monday 17 June.

“VOICE TREATY TRUTH” Art Exhibition

Peninsula Community of Schools invites you to attend our exhibition in celebration of *Aboriginal and Torres Strait Islander Cultures* on the Northern Beaches.

Enjoy a showcase of artworks by students from Kindergarten to Year 12 attending our 15 Peninsula Community of Schools.

*The collection has been created by considering the 2019 themes for;
NAIDOC Week and Gai-mariagal Festival - “Voice Treaty Truth- Let’s work together for a shared future”*

*Harmony Day - “Everybody Belongs”
and Reconciliation Week - “Grounded in Truth-Walk Together with Courage”*

The artworks reflect the strength in the messages from these four significant celebrations and we welcome you to “Voice Treaty Truth” to view and talk about these stories told through the voices of our children.

Where: Warriewood Square Jacksons Road Warriewood

Date: Thursday 20th June 2019

Time: 5:00pm – 7:00pm (Official Welcome at 5:30pm)

Proudly supported by Warriewood Square

Attention Kindy parents...Helpers needed

We are pleased to have organised an exciting visit from The Professor Maths Road Show to our school on **Thursday 20 June from 9.15-10.15am**

We would love as many parent volunteers as possible to help with the session and to get a taste of some of the fun maths activities we do at school.

Professor Maths will bring a large range of maths activities for students to rotate their way through in small groups. All the activities are exciting, stimulating and "Hands On" and are designed to improve students' attitudes towards Mathematics.

Please let your class parent know if you are available to help. We look forward to a fun morning!

Julia Smith
Assistant Principal

It's time for our four finalists to represent our school at the local finals of the Multicultural Perspectives Public Speaking Competition. Due to the Year 5 and 6 excursion to Canberra in Week 10, our Stage 3 finalists, **Imogen L** and **Alana C**, are competing on Monday 17 June at Manly Vale Public School.

Everett M and **Laura H**, our Stage 2 finalists, will compete at Collaroy Plateau Public School on Wednesday 3 July. Mr Scotter and I are looking forward to visiting the students at their finals and enjoying the experience of watching talented public speakers delivering speeches on such meaningful topics.

All four finalists have been working hard at home to make sure they cope well with the daunting task of the impromptu component of the competition. Miss Smithies has worked with the students at school during lunch times and provided guidance on public speaking planning and delivery techniques.

We are very proud of all four of these students and wish them well in their respective finals.

Mrs Priscilla Wright
Public Speaking Coordinator

WHEELER HEIGHTS DANCE PROGRAM

The Sydney North Dance Festival dates at Glen Street are coming up in Week 9! On Monday 24 June both groups will attend a dress rehearsal during school time and will perform in the 7.30pm evening performance, please arrive by 7pm. On Wednesday 26 June they will perform in the 5.00pm evening show, please arrive by 4.30pm. **Please return both permission notes as soon as possible.**

If you are away for any period of time please advise us now as stage positioning is extremely important. It is also very important as performances are approaching that children attend all classes. For absences please email the school or the dance committee - whps.dance@gmail.com. If you are interested in being on the dance committee for the 2019/2020 season, please forward your details to the school dance email.

Fight on the Beaches Mufti Day

Each year, Wheeler Heights School joins other peninsula schools to help fund cancer research.

To show our support on Wednesday 26 June, Week 9, our school will hold a Christmas themed mufti day. Students are asked to wear red or green clothing or dress in Christmas style outfits and bring a gold coin to donate.

Thank you in advance for your support of this very worthy cause.

The poster is for 'Fight on the Beaches' Mufti Day. At the top, it says 'Help Fund Cancer Research' with a yellow star. Next to it is a large white Christmas ornament with the 'fight on the beaches' logo and 'Fundraising for Cancer Research' written on it. Below this, a blue banner contains the text: 'Mufti Day - Wednesday 26th June Please wear red or green clothing or a Christmas theme outfit.' To the right of the banner is a blue starburst that says 'gold coin donation'. Below the banner, it says 'proudly supporting Fight on the Beaches Fighting for a cancer cure!'. At the bottom, there are two cartoon elf characters flanking a logo that says 'proudly supporting FIGHT FOR A CURE UNITING COMMUNITIES AGAINST CANCER'. Below the logo is the website 'www.fightonthebeaches.com'. At the very bottom, it says 'Follow us:' followed by Facebook, Twitter, and Instagram icons with the handle 'fightonthebeaches'.

Water Saving Challenge

Have you remembered this week to turn off the tap?

According to reports, one running tap can waste over six litres per minute. So if you brush your teeth for two minutes twice a day you can waste over 24 litres of water a day. So the challenge is simply:

Let's remind each other to turn off the tap while we brush our teeth. It's a small change that will save water.

Miss Earl
SRC Coordinator

SUSTAINABILITY NEWS

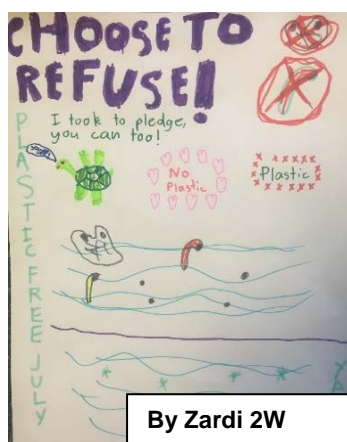

Next month is **Plastic Free July**.

Join the challenge and 'Choose To Refuse' single-use plastic during July. Imagine a world without plastic waste – that is what we want!

Last week, the Eco Warriors took a stand to help this vision and took the pledge. They all vowed to refuse these plastics for Plastic Free July and signed their commitment:

Savannah 3S – to not buy single use plastic bottles
Claire 1/2E – to say no to all plastic bags
Sydney 4J – to never use any single use plastic again
Annie 4R and Holly 4J – to give up plastic straws
Maya 5M – to use reusable straws
Zardi 2W – to give up plastic straws
Nathan 3S – to use bamboo straws
Lucas 3S – to give up all single use plastic
Gemma 2W – to give up all single use plastic
Leo 3S, Lachlan 3B and Zandar 3B – to give up soy sauce fish
Harley 3S – to do return and earn on all bottles/cans
Mrs Alexander – to use bamboo toothbrushes

Harley Savannah Leo Smith
Annie Holly Sydney
Gemma Zardi
Lucas Nathan
Claire Zandar
Maya
Mrs Alexander
Lachlan Johns

We are asking all of you to join us and give up single-use plastic this July! Keep an eye out for more exciting news of Plastic Free July soon!

In other news, I would like to thank all of our **Green Team parents** who have been helping with our green initiatives around the school. This small group of dedicated parents have helped with our waste management, chickens, gardens and composting over the last year. Their help is crucial to the running of our sustainability initiatives.

If you are new to the school or would like to join the team this year, please contact me via email to wheelerhts-p.school@det.nsw.edu.au.

You choose your level of involvement and we will work around your schedule! Roles might include small tasks such as providing ideas and suggestions at our meetings, assisting in the watering of the vegetable patch, taking the soft plastics, checking on the chickens to more involved tasks such as running a gardening lesson with our Eco Warriors. Everyone, including grandparents and community members, are welcome to join!

We will be holding our next meeting on next Tuesday 18 June. Once numbers have been confirmed, you will be notified by email what time the meeting is.

Mrs Alexander
Sustainability and Eco Coordinator

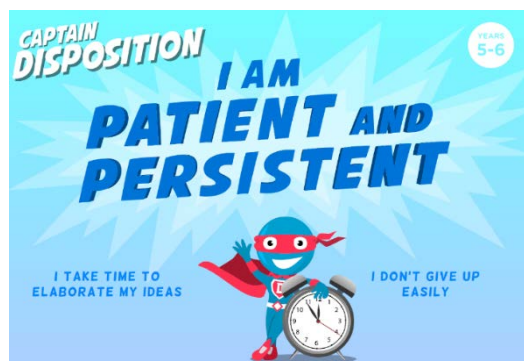

CRITICAL AND CREATIVE THINKING (CCT) UPDATE

The development of critical and creative thinking skills requires knowledge and practise. As a result students are participating in a whole school CCT program.

Week 8: Focus Disposition - Patient and Persistent

What is a patient and persistent disposition?

Being patient and persistent means that you do not give up easily and also that you take time to elaborate or develop your ideas.

To support their learning try to find opportunities to reinforce this trait in your child at home.

Ask your child: Were they persistent this week?

Example: What happened if maths was hard or they didn't score a goal in soccer? Did they give up and say it was too hard or did they show persistence by trying again?

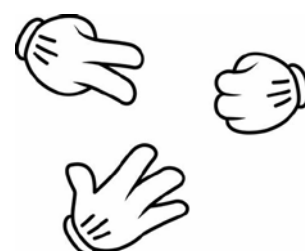

Ask your child: Were they patient this week?

Example: When they were completing an assignment or making something did they take the time to plan and elaborate on their idea to make it better?

CCT Crunch of the Week – Scissors, Paper... Think!

Play a game of *Rock, Paper, Scissors*. Now create an alternative version by trying different combinations. Your new game can have objects, animals, and machines – anything you can think of! For the game to work, each thing has to be able to 'beat' one other thing. Also decide on what hand shapes or gestures you could use to represent your ideas. Remember, you may have to be persistent to find a combination that works. I look forward to hearing about your new versions. Happy playing!

Miss Earl for the CCT Team

SPORTS NEWS

AUTUMN/WINTER PSSA

Round 6: WHPS V. MONA VALE (Final round for Term 2)

NETBALL – Boondah
FOOTBALL – Kitchener
RUGBY LEAGUE – Narrabeen 3
AFL – Narrabeen 6

This week's PSSA round is the last game that Wheeler Heights will play for the term. Week 8 is the Sydney North Cross Country, Week 9 we have a bye, and there are no games for any schools in Week 10. Training for all sports will conclude at the end of this week, unless otherwise stated from the coach. Training will begin again in Week 1 of Term 3. Please be sure to check the flexischools app for any announcements regarding your child's PSSA team.

Good luck to all runners competing at the Sydney North Cross Country on Friday 21 June at Gosford Racecourse. We know you will do Wheeler Heights proud! Please be sure to say hello to Mr James and Mr Bennett (2018 5B teacher) who will be there as course officials.

We have two upcoming NSWPSA state knockout games in Week 8. Good luck to the boys basketball team against Oakhill Drive Public School and the boys football team against Neutral Bay Public School. Please return your notes to Miss Bamford and Mr James as soon as possible.

The Year 6 leaders are also looking forward to attending the Wheelchair Rugby National Championships on 28 June at Sydney Olympic Park, Sports Centre. The Championships will feature players from The Steelers (Australian Wheelchair Rugby Team), the current Paralympic Gold medalists. Wheelchair rugby is an intense, physical team sport for male and female athletes with quadriplegia (tetraplegia). The sport can be very combative as players attempt to carry the ball over the opponent's goal line. A volleyball is used and it can be carried, dribbled, or passed in any way except kicking. The ball must be bounced at least once every 10 seconds and wheelchair rugby is played in 8 minute quarters. Players are classified according to their level of functional ability and are assigned a point value from 0.5 to 3.5 points – the higher the points, the more functional ability the athletes have. The four players on the court cannot exceed a combined total of 8 points.

The students selected to attend this event are comprised of the school leadership team, sports captains, CAPA captains, SRC members, sustainability leaders and the PSC leaders. This is a great opportunity for our students to witness true resilience, determination and hard work demonstrated by these amazing athletes. Please return notes to Mr James as soon as possible.

WHPS singlets. If you are not in the senior or junior PSSA AFL team can you please return your singlets to Mr James by the end of week 8. Failure to do so may result in families being charged for replacement singlets.

Kind regards,
Mr James

PREMIER'S SPORTING CHALLENGE

The Premier's Sporting Challenge started last week. Teachers and students are enthusiastically logging their daily activity. Please encourage your children to get outside and play, run, skip or jump, etc for at least 30 minutes a day.

Today, we are very lucky to have a guest speaker attend our 3-6 assembly. Abbey McCulloch, the captain of the NSW Swifts, is a PSC sports ambassador. She will be sharing many stories about sports and the benefits of participating in regular physical activity.

Award Level	Daily Activity Time
Bronze	30 minutes per day
Silver	45 minutes per day
Gold	60 minutes per day
Diamond	80 minutes per day

PITTWATER ZONE CROSS COUNTRY

On Wednesday 5 June, 49 incredibly talented runners from WHPS participated in the Pittwater Zone Cross Country at North Narrabeen Reserve (Rat Park). The weather was majestic, a plethora of rain drenched the drought stricken ground, providing our students with the true cross country experience. The howling winds and muddy ground were no match for our runners, who glided around the course with grace and speed.

We performed so well as a team that we placed 4th overall and also won the handicap trophy (points per primary enrolment) for a second year in a row. We had seven fantastic runners who finished in the top 6 for their age group and have now qualified for the Sydney North Cross Country carnival on Friday 21 June at Gosford Racecourse.

Amber P – 6th 8/9 year girls

Ewan K – 5th 8/9 year boys

Charlie P – 5th 10 year boys

Emily G – 2nd 11 year girls

Liam K – 3rd 11 year boys

Jett K – 6th 12/13 year boys

Leo B – 1st 12/13 year boys

A special mention to the following students for finishing in the top ten of their age race. Poppy S 7th, Chelsea R 9th, Jake B 9th, Matthew M 10th. Additionally, I'd like to thank all the parents who assisted throughout the day in driving students to the ground, providing supervision on the track and for braving the elements to support Wheeler Heights. Without your hard work and support, these days aren't possible.

Usually, I take a lot of photos throughout these carnivals, however the chaotic weather and my non waterproof phone disrupted my usual flow. We managed to get 1 photo from a parent and I've included some reflections from our amazing runners throughout the day.

Cross country was very wet, but spirits were high and we all had fun cheering on our team mates and getting soaked. Despite this it was much more fun getting home and sitting in front of the heater after a long, hot shower. – Josie J (6J).

Running in wet puddles and stomping in the soggy muddy pools along the track was horrible. Despite all of this, everyone was cheering on for Wheeler Heights and still running their heart out. Good job to everyone who came. – Chelsea R (6J).

Our shoes were full of mud, running on a track that was just short of a flood. We couldn't stop the rain though it didn't stop our aim. We tried to go at a swift pace though we were cautious not to slip on our face. We were all good sports and we all did our best running the course. – Imogen L (6J).

Yours in long distance fun,
Mr James

CANTEEN NEWS

We really appreciate everyone that takes time to volunteer their help in the canteen. Last week we had a couple of double ups and we apologise for the confusion. To ensure this doesn't happen again, can all parents please always use the sign up webpage. On the website you can see which slots are available and even who else is volunteering.

<https://signup.com/go/wXnukHJ>

Once signed up you will be sent an email confirmation and will also be sent a reminder link a couple of days before in case you need to change or cancel your spot. It's easy to use and will make it simple for parents and the canteen to manage their time.

Please can you still let your class parent know when you sign up (the day and time) for your class week.

Thank you!
