Term 1 Week 3

Thursday 13 Feb 2020

Acknowledgement of Country

We would like to pay our respects to the Elders, past, present and future for how well they have preserved this land. We shall always remember the stories and connection to this land and how it must be carried on through generation to generation. We shall always care for our country, no matter where we are because that is how we keep the Aboriginal spirit alive.

Isaac P – Year 6

*This week we farewell **Mrs Kate Falcone** who is now on maternity leave with her second child due shortly.*

Thank you to the many parents who attended the Meet the Teacher nights this week. The partnership between teacher, parents and the school community is a major influence on your child's education. Forming positive and proactive relationships are so important in the primary years.

Sport Captains & Vice Captains

Congratulations to our recently elected Sports captains who received their badges last week. An official presentation of all badges (Sports, SRC, Band, Dance, Sustainability) will be held on Monday March 9 at the 9:15am assembly. Parents are very welcome to attend and assist with the presentation of badges.

Canteen Volunteers

Please see the note later in the newsletter regarding volunteering in the canteen. For this valuable service to run effectively, the P&C need your assistance.

New Water Bubblers & Refill Stations

You may have noticed the two new water refill and bubbler stations located near the canteen and in the K-2 artificial grass area. Special thanks to the Year 6 2019 students who raised money at the Wheeler Wonderland and Mr James who co-ordinated this project. A huge thank you to our school P&C who funded the second bubbler and also ensured that the water is chilled!

Pedestrian Safety and Parking in the School Driveway

Once again, I implore all parents to carefully follow school signs and make Traffic and Pedestrian Safety a number one priority at our school. Teachers have talked to all classes and reiterated the rules regarding children crossing in front of the school car park. This route can ONLY be used when a child is accompanied by an adult. This is very important before school when teacher vehicles and delivery drivers may be arriving. After school there will be a teacher on duty who will monitor children crossing to depart school.

I also have many reports of school parents illegally parking outside the school on Veterans Parade, Rose Ave and Berith St. and parents parking in the school driveway early in the morning or late in the afternoon, often blocking access for teachers and deliveries.

Please follow the road rules and let's work together to ensure that no child or adult is injured at our school.

Sustainability Video

Please see the link to the Ocean Friendly Wheeler Heights video, made late last year. Special thanks to Sherene Lagasse and our student stars!

Absences – To record an absence with the school, the absence information is now located under **‘News’**. Click on **‘More’**. You are able to access absences and the website from here.

YEAR 6 to YEAR 7 INFORMATION for 2021

The Year 7 Expression of Interest High school information booklet will be handed to all students, the week beginning 9 March. EVERY student must return the booklet no later than 20 March.

Important: If your address has changed, you must inform the school office by this Friday (Feb 14). If you change the address listed on the EOI booklet, you must provide 2 reference points (e.g. utility bill) to confirm address.

Specialist & Extension Classes

For students interested in applying for extension classes/specialist programs e.g. academic/dance/music programs, parents should contact the local high schools themselves.

Applications for these programs are separate to the Year 7 High School applications above.

The PCS Extension Class test will be held on Thursday 19 March. ALL interested Wheeler Heights students will sit this test at Cromer HS. Students are eligible for placement at their local designated secondary school. An application form will be emailed to all Year 6 families this week.

Parents are advised to visit the High School websites NOW to access the latest information regarding enrolment for 2021.

Mrs Wright's Wrap Up

Wow, almost the end of Week 3 already! The children have been so busy and many exciting things are happening right across the school!

Acknowledgement of Country Workshop

Wheeler Heights Public School acknowledges the traditional custodians of the land on which our school is situated, the Gai-maraigal (also known as *Gayamaygal*) and the Garigal clans, whose cultures and customs have nurtured, and continue to nurture, this land, since the Dreamtime. We pay our respects to Elders past, present and future.

Our Aboriginal students (from Years 2 to 6) and Student Leadership Group took part in an *Acknowledgement of Country* workshop to understand why the acknowledgement takes place at meetings, assemblies and events, when people meet on traditional land.

They discussed the connection Aboriginal people have with the land and why Country is significant to them. They explored the history of our area and how the land our school is on would have been used in the past. They examined custodianship of the land and the importance of it to the Aboriginal culture as a whole.

They each then wrote an Acknowledgement of Country. These will be used at our assemblies, meetings and events throughout the year. The children worked very hard and put a lot of thought into their work. Please listen out for these acknowledgements throughout the year.

Teacher Training

As lifelong learners, all teachers are constantly attending Teacher Professional Learning (courses, meetings and seminars), upskilling themselves and ensuring they are equipped to provide quality learning experiences for the children in their care. After school hours, in coming weeks, our teaching staff will be undertaking mandatory training requirements of the NSW Department of Education including:

- Child Protection
- CPR
- Anaphylaxis
- Code of Conduct

Interrelate

Please see details later in the newsletter regarding Interrelate sessions coming to our school on Wednesday 18 March. Many families have attended these sessions in the past and find the information provided to be extremely helpful and beneficial.

Meet the Teacher Nights

We are so lucky at WHPS to have such a fantastic, motivated and dedicated staff. Over Tuesday and Wednesday nights this week, every class teacher opened their classrooms to parents to come and see how things would work for the year and to get to know the teacher and their philosophies. We've had a great deal of positive feedback from parents and we know our students will have a terrific year in their care. I would like to thank our teachers for giving up their time to make these nights possible and creating such inspirational learning environments for the children.

Helping with Literacy at Home – Parent Refresher for Students in Years 1 & 2

When? Wednesday 19 February, 8:45am – 9:15am

Where? Peer Reading Room, Block E between KB and KT

What? With our focus on literacy as daily homework, we want it to be a positive experience for you and your child.

This workshop will provide a **refresher on how to engage your child in successful, enjoyable daily literacy activities.**

Who should attend?

We would recommend parents to attend this workshop if their child:

- is a reluctant reader
- received Learning Support last year
- is still learning their Magic sight words
- was on any of the following coloured home reading box at the end of last year:
Red, Yellow, Blue (Year 1 and 2)
Green, Orange (Year 2 only)

This workshop is NOT for parents of fluent readers. Please talk to your class teacher if you are unsure whether to attend.

Please RSVP at the school office by Tuesday 18 February.

Mrs Kathy Westwood
Learning and Support Teacher

SRC NEWS

SRC Voting

Year 2 to Year 6 classes are currently in the process of electing their Student Representative Council members (SRC). SRC badges will be presented to students at the Monday morning assembly in Week 7. Parents/carers are invited to attend this occasion to present their child's badge. Further information will be sent home via elected SRC members and the newsletter.

Bicycle and Scooter Permission Notes

All Year 2 to Year 6 students who ride a bicycle or scooter to school need to sign and return a bicycle and scooter agreement. To encourage safe riding and support road safety awareness, all students and parents need to sign a new permission note every year. The agreement explains the expectations for behaviour expected by all students when riding a bicycle or scooter. The first time students receive a licence, I will attach it to their bike or scooter to ensure it is placed in an appropriate and safe position. If your child is interested in riding their bicycle or scooter to school there will be another information session next week.

SRC Coordinator

SPORTS NEWS

Wheeler Heights on the World Stage

Two incredibly lucky students from Wheeler Heights, Kieran L and Piper W, had the pleasure of lining up with the Australian men's cricket team before their test match against New Zealand. Both students proudly sang the National Anthem and were treated to a great match between two fierce competitors. This was a lovely opportunity for both Kieran and Piper and I'm sure it has made them cricket fans for life. I know Mr Scotter and I are very jealous!

SUMMER/SPRING PSSA

Unfortunately, last week the much-needed rain prevented us from completing our last round of PSSA trials for the Summer/Spring teams. The weather does not look promising for tomorrow but we will continue our trials as soon as we have the opportunity. We are very lucky that the Summer/Spring season starts in Week 6, so we have plenty of time up our sleeves to complete the trials. Just a reminder that coaches take these trials very seriously and look for many qualities in their team selections. Students are judged on:

- Game sense and skill
- Sportsmanship
- Cooperation and attitude; and
- Commitment to training sessions

If your child does not make a PSSA team, please help them learn from the experience and build their resilience...

"Nurture a positive view of your child, keep things in perspective and maintain a hopeful outlook".

SWIMMING CARNIVAL

Our swimming carnival is fast approaching, Thursday 20 February. Please ensure swimming carnival notes are returned by this Friday. Another house meeting will be held next Wednesday to inform students about the rules, guidelines and procedures for the swimming carnival. Children in Year 2, who are turning 8 in 2020 are eligible to attend our carnival. Please remember that all races, other than freestyle are swum in junior, 11 years and seniors. So, Year 2 students wishing to swim in other strokes will be competing against 10 year olds. Please speak to your classroom teacher for more information.

The carnival will run from 9:30am until 2:30pm. The buses will begin to depart school at 8:30am and return by 3:15pm. Swimmers competing in the 200m Individual Medley events will need to be on the first bus as this event will begin our carnival at 9:30am sharp. Children will swim the age group according to the age they turn during 2020 and not necessarily the age the child is at the time of the carnival.

Due to our carnival being a whole day event, finals will be run for the 50m Freestyle with relays following. All other events will be decided on fastest times during each age group heat/s (200m Individual Medley, Breaststroke, Backstroke, Butterfly, 100m Freestyle).

Casual clothing can be worn – house colours, hats and sunscreen. Closed toe shoes (not thongs) must be worn to and from the pool. Please ensure all children have hats, lunch and plenty of water. The canteen will be open.

Teachers are not to be approached by parents/spectators during the carnival. It is a very busy day and to ensure that the carnival runs on time, teachers need to concentrate on their specific jobs. If you would like to sign your child out early, please see the supervising teachers, Mrs Sullivan or Miss Earl. They will mark this on a class roll. Please do not confront teachers over issues of contention, report it to one of the supervising teachers.

CALLING ALL PARENTS...

Unfortunately, we have not had a great response for parent helpers for timekeeping responsibilities. We need 8 parents for one hour time slots during the day to help with time keeping. Our carnival will not be able to continue without the help and support of our parent community. If you are attending the carnival and can spare one hour, please let your class teacher know. It is a fun job and you get a front row seat, right up near the action! A note will be sent home indicating a rough time for timekeeping, although this will need to be flexible on the day.

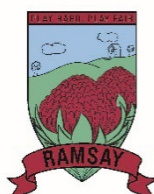

HOUSE CAPTAINS

Congratulations to our 12 House Captains who were announced on Monday. The 12 captains are already doing an amazing job in running the sports shed during recess and lunch, helping to facilitate sport at WHPS. They will lead and support their houses at the three carnivals throughout the year. This is a great honour and privilege for these students. The house leaders will foster and encourage house spirit at carnivals by facilitating war cries and encouraging participation. The following students will be our House Captains for 2020:

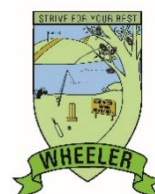

CAPTAINS:
VICE CAPTAINS:

Maya R and James P
Emily G and Connor O

Isla A and Lewis G
Lara F and Matthew M

Filippa T and Christian L
Poppy L and Josh Y

UPCOMING PITTWATER ZONE TRIALS

PSSA Zone trials are for students in Years 5 and 6 who excel in a particular sport. They must have several years of club/representative experience. We are only allowed to send 2-3 students for each sport. Successful students must be able to commit to training and future trial sessions.

Date	Sport	Location	Time	Cost
POSTPONED – New Date TBA	Boys Cricket	Wheeler Heights Public School	4pm-5:30pm	-
17/2/20	Boys and Girls Basketball	NBISC	1:30-3pm	\$5.00
27/2/20	Boy and Girls Soccer	Cromer 1	1:30-3:30pm	Nil
7/3/20	Girls Cricket (Syd North)	Bill Sohler Oval	9:30am-2:30pm	\$6.00
11/3/20	AFL	Balgowlah North Public School	1:30-3:30pm	Nil

Please email the school if your child is interested in trialling for Pittwater Zone teams. Please remember that these trials are very competitive and of a very high standard. You will need to include details of your child's ability (years' experience and representative teams). Notes will be sent home to students selected to trial.

Please ensure that your FlexiSchools and Team App are updated for your child's PSSA sport so you can keep up to date with information.

Good luck to all our students trialling for sports this week.

Yours in Sport,
Mrs N Young
Sport Coordinator

P&C VOLUNTEER OPPORTUNITIES

Canteen Volunteers Required

Our school canteen is seeking more volunteer parents. To operate, the canteen needs 1-2 volunteers Monday-Thursday and 2-3 volunteers each Friday from 9:30am until 11:30am and/or 11:30am-1:30pm. No experience is necessary to volunteer – just bring a sense of fun and embrace the opportunity to interact with other parents and friends in the school community. Our canteen Managers, Heidi and Tracey will guide you as much as necessary, and tasks generally include heating and preparing hot/cold lunch orders, cleaning up and working at the window during lunch. Every child loves the feeling of having a family member on canteen duty for the day. Volunteering in the canteen is a direct and easy way of helping make a significant contribution to your child's education at Wheeler Heights Public School.

If you are interested in volunteering at the canteen, please sign up using this link <https://signup.com/go/gOWjaGQ>

If you have any questions, please feel free to email our Canteen Treasurer at canteen.treasurer@whps-pandc.org

Wednesday 18 March 2020 in WHPS Library

LOVE FOR LACHIE

Hope • Love • Believe

Background

The “Love for Lachie” fundraising group has been established in memory of Lachie Muldoon, who passed away at age 10, from an aggressive form of brain cancer, 6 short months after diagnosis.

Brain cancer is the undisputed **number 1 killer of children in Australia** and the leading cause of cancer death in Australians under 40 years old.

The Love for Lachie fundraising group raises much needed funding for children’s brain cancer research supporting the work of Australia’s leading paediatric brain cancer researchers.

Since **2016**, with the generous support of the community, Love for Lachie has raised **over \$1,250,000, with all funds raised going to brain cancer research.**

We aim to **bring hope** to families diagnosed with this insidious disease by funding the research to provide opportunities for better treatment options through personalised medicine, access to more world leading internationally collaborative trials here in Australia and faster turnaround on critical diagnostic information.

Annual Love for Lachie Charity Golf Day

On Friday 6th of March 2020 we will be hosting our 5th annual ‘Love for Lachie Charity Golf Day’, this is a fantastic day and is widely supported by the local community, local businesses, and major national companies. In 2019 our event raised an incredible \$220,000, these funds have supported critical research work through Dr Nick Gottardo and his team of paediatric brain cancer researchers and oncologists at The Telethon Kids Institute. Our fundraising is currently supporting three separate newly funded trials for kids diagnosed with high grade glioma, the most deadly form of brain cancer.

Current Focus

Our current focus is to raise further funds to support a range of incredible opportunities in the immunotherapy trial space. These trials are internationally supported in collaboration with Duke University USA and clinics in Europe. The trials will be multi site projects in Australia allowing kids from all over Australia to get access to leading treatment options and provide **hope to those who would otherwise have none.**

Your Generous Support

We are seeking your support by way of **prize donations for our raffles / auctions**, golf winners **prizes** or items for inclusion in **150 golfers kits**. This presents a great opportunity to highlight your business to over 200 local guests and to support this very worthy cause.

All major prize donations will be promoted at the event through our digital marketing and your company’s logo and details will be included in the event program on the day. Our Love for Lachie Ambassador and event MC, Gus Worland, will also ensure all prize offerings are gratefully acknowledged during our luncheon.

I look forward to hearing from you soon. If you would like any further information please do not hesitate to contact me and I will be happy to provide any details you may need regarding our fundraising group or the event.

Kind Regards

Team Love for Lachie

Scouting is all about education for life. Our dynamic, challenging and adventurous program equips young people with life skills such as team work and leadership, and gives them the tools to develop into strong, resilient adults and valuable members of the community.

Instead of learning in a formal way, our members have been getting their hands dirty, independently solving problems and learning from their mistakes. We emphasise active learning for young people through adventure and challenge.

At Scouts, children learn life skills such as independent thinking, leadership and problem solving skills, social interaction and responsibility. They experience weekly physically and intellectually challenging activities in the Scout hall, outdoor activities such as bushwalking and water sports, and large-scale events such as Jamborees, where Scouts from around Australia and the World come together.

Scouting is an ideal activity for the whole family. Boys and girls can be involved and parents are encouraged to join in with activities and become helpers, supporters or Leaders. Scouting can be an amazing experience for parents. Join your child's Scout Group on outdoor activities, family camps and outings – and learn new skills like abseiling and canoeing.

Experience the benefits yourself. Join Scouts today by contacting our membership hotline on 1800 SCOUTS (1800 726 887) or info@nsw.scouts.com.au
