Term 1 Week 7

Thursday 12 March 2020

Acknowledgement of Country

We must acknowledge and respect the traditional custodians of the land that we stand on today and the connections and memories the Elders had with the land. I would like to thank the Gai-maraigal and Garigal people for taking care of the land and making our school a calm and safe learning space.

Poppy S – Year 6

Congratulations to our team of swimmers at the Pittwater Swimming carnival on Tuesday at the Aquatic Centre. Our team performed very well and showed great sportsmanship and effort in all races. Best of luck to our swimmers who will now compete at the Sydney North carnival.

Congratulations to Aiden N (5/6B) who has been selected in the Sydney North Tennis team to compete at the State carnival at Broadmeadow early next term. Special congratulations also to Amber P (4RO) who has been named as a reserve for the Sydney North team. Wonderful achievements Aiden & Amber!!

Good luck to our 12 PSSA teams tomorrow in the first round of competition (after last week's washout) against Elanora Heights.

****** Remember PSSA is now on Friday mornings with buses leaving at 9am******

Parent & Visitor Code of Conduct

It is disappointing that I have to remind parents at our school about satisfactory behaviour and codes of conduct. Unfortunately, there have already been a number of incidents at school this year where parents have behaved extremely inappropriately to members of staff, often with small children being present. This sort of behaviour is not acceptable and will not be tolerated.

Please refer to the table on page 2 which clearly outlines acceptable and unacceptable behaviour. Sadly we (and our impressionable children) often see despicable behaviour in the media, at local and televised sporting events and generally far too often in our 2020 society.

I am confident that if we all work together we can ensure that the correct, polite and appropriate behaviour can become the norm and that we do not tolerate or condone behaviour which is nasty, rude, or inappropriate.

Welcome to new Parents BBQ – this afternoon....Thursday 12 March from 5-6:30pm

The annual welcome BBQ for all new Kindergarten students and their buddies and any new school families will be held this afternoon from 5-6:30pm around the hall and canteen area, organised by our wonderful P&C.

School Program Fees

A note outlining whole school program fees, expenses and statements was emailed to all families last week. A copy of these notes was included with last week's newsletter and is on the school website. Prompt payment would be very much appreciated, with a special prize draw for full payment made by the due date.

Parent/Teacher Interviews

Please be sure to book in for your parent teacher interviews later this term. Please see more details in Mrs Wright's column.

Rotary Raffle Tickets to Win a Car

The P&C and school have decided to once again participate in the Rotary Raffle. A detailed information note and tickets were distributed to each child today. The note is printed later in this newsletter. Parents can return the sold tickets to the school leaders in the playground each day and collect more ticket books to sell from the school office. Remember there will be prizes for the classes and students who sell the most tickets. Money raised from the Rotary Raffle will support the school canteen, sustainability and technology resources.

Tell Them From Me student feedback survey (Term 1, 2020) – YEARS 4-6 ONLY

I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used *Tell Them From Me* to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school.

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 20 March and 9 April. Participating in the survey is entirely voluntary. A consent form and FAQs for parents/carers about the survey was emailed earlier today. If you do not want your child or children to participate, please return the form to school by 19 March 2020. Copies of the form and FAQs are available from: <http://surveys.cese.nsw.gov.au/information-for-parents>.

Corona Virus

You will obviously have seen and heard much about the Corona virus. We regularly receive updates from our Education Department and NSW Health services. Please be assured that we will always forward relevant updates and information to school families as necessary.

Unnecessary Technology

Unfortunately, a number of students, often in the younger years, are bringing Apple Watches, cameras and various unnecessary technology devices to school. These are definitely not required at school and only cause angst if they are lost, misplaced or used inappropriately. Please support the school by not allowing your children to bring such devices to school.

PARENT / VISITOR CODE OF CONDUCT

At no time is it acceptable to behave in an aggressive or threatening way to staff. Whether interaction is in person or over the phone, respectful communication is essential. Unacceptable and offensive behaviour has no place in our school community. We talk to students everyday about what is ok and what is not ok. As adults, this should be something that we all model high expectations for. At no time do I ever yell, threaten, abuse, put down or criticise; my expectation is the same in return.

The following table helps to clarify a code of behaviour that will help all of us to work together to get the very best outcomes for your children.

WHAT IS OK	WHAT IS NOT OK
Having a concern and contacting the school to discuss the problem with the class teacher.	Coming to the school office or the classroom and demanding to talk to someone straight away.
Making a time to talk through an issue with a staff member when you are calm and in effective control.	Yelling at or abusing any staff member, either over the phone or in person.
Talking calmly and respectfully to staff.	Swearing at any staff member in any situation, at any school event.
Use of social media to contact the school respectfully.	Making public negative or defamatory comments on social media.
Making a mutually convenient time to meet with your child's teacher by contacting the school office.	Expecting to talk to the class teacher in the morning while students are entering the classroom.
Visiting the classroom at an agreed time to view your child's learning environment.	Entering the classroom when the teacher is not present.
Contacting a staff member of the school via the school contact number or email.	Contacting staff members regarding a school issue directly through either their personal mobile number or direct email unless you have been specifically invited to.
Making an appointment with the Principal, Deputy Principal or Assistant Principal to discuss an issue and reporting to the front office prior to entering office areas.	Coming to the school and bypassing the office to enter one of the office areas.
Being concerned about an incident that your child has been involved with and informing the school.	Approaching another child to reprimand them.
Volunteering or helping in the classroom etc and signing on in the front office.	Not signing in at the office when volunteering or helping in the classroom

Mrs Wright's Wrap Up

VISIT FROM SENSIBLE, SUPPORTIVE AND SENSATIONAL EX-STUDENTS

How lucky are we? Stage 3 were visited by Northern Beaches Secondary College – Cromer Campus students to work on their tremendous Design, Make and Innovate project. I went to visit our students and was so pleasantly surprised when I walked in to see Fynn B and Oli K who were our captain and vice captain in 2017. My excitement continued when I then saw Ben S in another classroom; who was also a student at our school. Fynn, Oli and Ben along with some peers from their school are coming to assist our students whilst working on their projects. They are studying STEM (Science, Technology, Engineering and Mathematics) as an elective in Year 9 and peer tutoring is a component of their studies. It will be wonderful to see what our students come up with over the course of this project. Stand by for further details later this term. Thank you for your assistance boys! It's wonderful to have you back at Wheeler!

TEACHER MANDATORY TRAINING

As mentioned earlier in the year, all teachers are constantly attending Teacher Professional Learning (courses, meetings and seminars), upskilling themselves and ensuring they are equipped to provide quality learning experiences for the children in their care. Part of this training involves mandatory requirements of the NSW Department of Education.

Teachers and school staff are required to annually complete Cardiopulmonary Resuscitation and Anaphylaxis treatment training with certified instructors. Last Wednesday after school, this course was completed over 2 and a half hours with Royal Life Saving NSW trainers.

This is probably the most important training we undertake each year and ensures all staff are adequately trained and up to date in requirements in case of an emergency. I would like to thank all staff members for giving up their time and congratulate them on their professionalism and commitment to our students.

PARENT/TEACHER INTERVIEWS

As stated last week, we will be holding Parent/Teacher Interviews in Weeks 10 and 11 this term. Interviews will take place in your child's classroom.

Please note that each booking is for 15 minutes. Teachers attempt to stick to this time limit to ensure people are not waiting for long periods for their appointment. Please be prompt for your interview and allow the teacher to finish within the 15 minute time frame.

Bookings will be opened on Friday at 12pm.

You will need to book your interview online at <https://www.schoolinterviews.com.au> and the code is **7j6ve**

5A and 1J - extra information – Interviews for 5A and 1J students will take place in Week 9 and 10.

INTERRELATE

Interrelate courses will be held in our library next week. If you are intending to attend and haven't yet returned the form, please do so at your first available opportunity. There will be books available to purchase on the night and this will be available via credit card only. Cash cannot be accepted. Apologies for any inconvenience this causes.

Have a terrific week everyone and look out for more exciting news next week!

FROM THE OFFICE

Sick children

To report an absence for your child/children, the school must have written advice. Either complete the absence through the flexischools app, or send a note in with your child when they return. There is no need to ring the school unless your child has been away for three consecutive days. A medical certificate is required for absences of three days or longer.

Scholastic Book Club

We request orders to be processed online if possible. If you are not able to order online, we must receive your order by Monday 16 March.

Thank you

School Administration Manager

HARMONY DAY

WHPS will be celebrating Harmony Day on Monday 16 March. Students can participate by choosing one of the options below:

- 1) Culturally appropriate mufti/heritage outfit. Kids can wear a garment or outfit significant to their cultural heritage.
- 2) Wear a colour found on a flag that has significance to their cultural background.
- 3) Bring in a symbol or artefact of cultural significance and share with the class on Harmony day.

It is a day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world. By participating in Harmony Day activities, we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it.

SRC NEWS

Tomorrow on Friday 13 March we are excited to be celebrating **National Ride2School Day**. National Ride2School Day is the perfect opportunity to kick-start new healthy habits and promote the many benefits of active travel. The SRC are looking forward to giving out stickers at the gates in the morning to participating students. For this day only if your child rides to school as a 'one off' they do not need a bike or scooter licence. However, if your child regularly rides to school they should have their licence.

A huge congratulations to Ewan M and Taj S who were successful in being selected for the Combined Pittwater and Manly Rugby League Team. It was a trying day with bad weather and gruelling conditions. NSWPSSA CRICKET KNOCKOUT – ROUND 2: WHEELER HEIGHTS V NARRABEEN NORTH

There's no better feeling than walking out of the school gate, especially when others are entering on their way to class. A few cheeky smiles, winks and fist bumps and the boys knew it was going to be a good day. After a few words of wisdom from our illustrious leader, Mr Scotter, we were on our way. The 'promise' of chips and gravy if they won and the rest of the school day off, ensured I had the boys pumped up for the game. Plateau Park was set to play host to the second round clash of the NSWPSSA Boys' Cricket Knockout between Wheeler Heights and Narrabeen North.

After the thrilling finish to our last game, the team was full of confidence and ready to rip in. After losing the toss and being sent in on a beautiful looking wicket and lightning fast outfield, the boys got off to an incredible start. Sitting on 1/71 at the drinks break, we had the early advantage. The next 13 overs saw some outstanding batting, with Wheeler Heights plundering 94 runs at a run rate of 7.2. We finished our innings with 5/165 (Jake B 38, Lennox C 37*, Lewis G 25, Archie H 22).

After a quick snack at the innings break, the team was ready to do some damage with the ball. Narrabeen North got off to a solid start, despite some quick and disciplined bowling from Wheeler Heights. At the drinks break the game was delicately poised with the opposition sitting at 3/53. We knew that if we remained disciplined and continued to hit our line and length, the game would be ours. Lennox C and Lewis G took the ball after drinks and the next 6 overs was absolute carnage. The boys closed the game out by taking 7/6 off 6 overs and restricting Narrabeen North's total to 10/59 (Tyson B 1/10 & 1 catch, Jake B 2/20, Lewis G 3/3, Lennox C 3/3, Hayden L 1 run out, Harry H 1 catch). Player of the match goes to the skipper, Lennox, for his superb batting, bowling and excellent field placements. Our Round 3 opponent and venue is TBC.

As always, I'd like to thank our amazing parent support. It's so lovely to see so many parents at our games and the players love having you there.

Finally, I'd like to apologise for not including a team photo. The boys forget their hair gel and therefore faltered in one aspect of our team motto – 'Look Good, Feel Good, Play Good'.

Yours in cricket,

Mr James

CANTEEN NEWS

In support of our school environmental initiatives, our canteen is constantly seeking ways of reducing waste and improving our environmental impact.

As of Monday 2 March, we will encourage students to bring a labelled container to the canteen to be used for hot food orders. If you are unable to provide a container, the canteen will be able to supply one for a small fee. You will be asked to select if you require a container when you place your order through the Flexischools app.

We will also be adding cups of rice to our recess menu next week. These will be available over the counter for \$1.

The Canteen Sub-Committee will be meeting on Monday 16 March at 2pm at the canteen. Come along and share your thoughts on how we can best evolve and grow our canteen! All welcome!

We appreciate the ongoing support of our school community.

P&C VOLUNTEER OPPORTUNITIES

Canteen Volunteers Required

Our school canteen is seeking more volunteer parents. To operate, the canteen needs 1-2 volunteers Monday-Thursday and 2-3 volunteers each Friday from 9:30am until 11:30am and/or 11:30am-1:30pm. No experience is necessary to volunteer – just bring a sense of fun and embrace the opportunity to interact with other parents and friends in the school community. Our canteen Managers, Heidi and Tracey will guide you as much as necessary, and tasks generally include heating and preparing hot/cold lunch orders, cleaning up and working at the window during lunch. Every child loves the feeling of having a family member on canteen duty for the day. Volunteering in the canteen is a direct and easy way of helping make a significant contribution to your child's education at Wheeler Heights Public School.

If you are interested in volunteering at the canteen, please sign up using this link <https://signup.com/go/gOWjaGQ>

If you have any questions, please feel free to email our Canteen Treasurer at canteen.treasurer@whps-pandc.org
