Thursday 25 Feb 2021

## Acknowledgement of Country

I would like to acknowledge the traditional custodians of the land our school sits on. I feel happy when I'm at school so I thank them for looking after the land.

Harry A – Year 2

## Community Spirit

Thank you so much to everyone who completed the parent survey. We had almost 70 responses which was excellent. It was really exciting to see that both our parent community and our teachers' visions for the students and our school were so closely aligned. The results from both the parent and teacher surveys will be used in the development of our vision statement which will be shared with the community in the near future.

It was clear from the responses that community was very much valued and at Wheeler Heights we look for ways to engage our school community and our wider community. On Tuesday I met with Glen from the Manly Warringah Sea Eagles. Glen runs a program supporting young players to find employment within the local community. I have worked with Glen for a number of years supporting the program by training some of the players to become SLSOs (Student Learning Support Officers). These young men have gone on to be placed in schools including: Anzac Park, Arranoubai and Mona Vale PS. Josh is one of the Sea Eagles' brightest new stars and we will be working with Josh to assist him through the process and provide him with some work experience and hopefully seeing him working at Wheeler Heights on a few days!

There was another example of community spirit this week with one of our parents finding a large sum of money outside the school gates at pick up time. She brought it straight to the office to hand in and we were delighted to be able to get it back to the owner.

## Safety First

Your children's safety is our number 1 priority. A few weeks ago, in the newsletter I requested that once parents have picked up students at the end of the day, they leave the gate areas as soon as possible so we can ensure that all students have been collected. Unfortunately, this does not seem to be happening. In addition, we have large numbers of parents and siblings congregating in the driveway to the school with some of the younger children pressing the intercom. What might seem funny and cute is actually disruptive to our office staff. Can we please remind parents that the entrance to the school is a driveway and nobody should be waiting to pick up children in this area. Another concern that we have witnessed, is that in the morning students are running down the path on the opposite side of the Veteran's Parade entrance and then racing straight on to the crossing. Very disturbingly this morning I have had a member of our community contact the school to say that they saw two Wheeler Heights students walking in the middle of the road, they moved out of the way to let the car pass and then moved back to the middle. This is incredibly dangerous behaviour and we ask that you please speak to your children about the importance of road safety and ensure they are doing the safe thing.

The safety of children is the responsibility of everyone and we thank you for your cooperation and assistance with this.

## School Leaders

This week I was fortunate to be able to spend some time working with our school captains and prefects. Together we are undertaking an inquiry into leadership. Our first session focussed on brainstorming what leadership meant to them and coming up with 'wonderings' (questions) that will be used to guide our inquiry journey.

## FROM THE OFFICE

### How to make a payment using the school website - PARENT ONLINE PORTAL (POP)

Statement of Accounts will be distributed later in the term – if you need to make a payment to the school prior to this e.g. PSSA, please use the online portal from the school website.

This is an online payment to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the school's website

<https://wheelerhts-p.schools.nsw.gov.au/>

by selecting **Make a payment** located at the top of the page.

All items can be paid through this system including voluntary school contributions, excursions, incursions and creative and practical arts activities (these include drama and dance). There is also a category called 'Other' this is to cover items not covered in the previous headings.

When you access the **Make a payment** tab you must enter:

the students name, and  
class

OR

the students name, and  
date of birth

These details are entered each time you make a payment as student information is not held within the payment system. **There is also the option to enter the Student Registration Number and Ref number, these are not required, please leave blank.**

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed by you.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

School Administration Manager

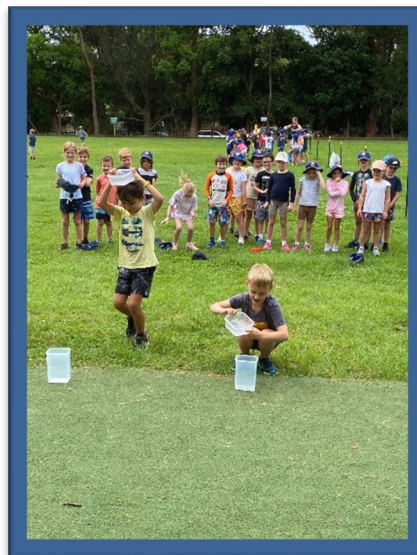

# Mrs Wright's Wrap Up

## Sensational and super swimmers and soakers

What a busy day it was last Thursday. Our students in Years 3-6 (and some Year 2 swimmers) participated in the annual Swimming Carnival and K-2 had their wonderful Water Fun Day. Everyone had an absolutely amazing time. At the carnival we were super proud of our students as everyone was having a go, no matter their swimming ability. There was a lot of house pride on display (as you can see below). Each person who swam in a race helped their house collect points throughout the day. It was also wonderful to see students supporting each other and revelling in the success of others. There were some incredible races and very quick times recorded. You can see a full report in the Sports section of the newsletter. I'd like to make mention of Mr Sam James and Miss Sarah Higgs who organised the Swimming Carnival. They did an amazing job and the day ran smoothly because of their preparation and assistance of all staff members on site. We greatly appreciated the assistance of our parent volunteers too. Another terrific team effort.

The K-2 teachers were so proud of their students during the Water Fun Day and as you can see below a great deal of fun was had by all. Thank you to Ms McCombie for organising and all K-2 teachers for coordinating such a happy event for our students.

We were very sad that parents were unable to attend. We are really missing the interaction with you all and look forward to the time that it is safe and government required COVID restrictions are eased and we can have everyone back in the school and at all events.

## Yoga and Mindfulness lessons

Our students in Years 2-6 are so lucky to be developing their wellbeing and mindfulness during Yoga lessons with the Lifeskills Group this term. We are so lucky to have Sally our wonderful instructor back this year. The children are thoroughly enjoying the experience and teachers have noticed growth in the student's emotional wellbeing, concentration and ability to self-regulate when dealing with differing emotions. Learning these skills allows children to remain true to themselves and their values and allows them to understand their own feelings effectively. They can use these skills when they are upset or angry and can calm themselves. Similarly, the skills will assist them in understanding and recognising what makes them truly happy. This will help them throughout their entire lives. In a time when children have to deal with pressure from many areas including social media and images portrayed through the media; fostering self-confidence, emotional wellbeing and maturity is vitally important. The most exciting part of these sessions is that it all happens whilst they are having fun! Kindergarten and Year 1 will complete the program in Term 2.

### Teacher Training

As lifelong learners, all teachers are constantly attending Teacher Professional Learning (courses, meetings and seminars) and Compliance Training, upskilling themselves and ensuring they are equipped to provide quality learning experiences for the children in their care.

After school hours our teaching staff have been and will be undertaking mandatory training requirements of the NSW Department of Education including;

- Child Protection,
- CPR,
- Anaphylaxis, and
- Code of Conduct

Phew... it is only Week 5 and so much has been happening!

Assistant Principal

## Can you be there for them?

Year 5 & 6 at Wheeler Heights PS Wednesdays, 2 - 2.30pm

Due to a shortage of volunteer Catholic SRE (scripture) teachers, there is the possibility that these students will not be receiving SRE from next term. Please consider if you can spare 1-2 hours a week (school term only) to ensure that these children continue to be nurtured in their family's faith.

With a current Working With Children Check (WWC) and minimal training you could be ready to assist us in Term 2. We have easy to follow teacher manuals and step by step powerpoint resources for each lesson.

To find out more about this important part of the school's curriculum contact **Alicen van Bokhoven**, Catechist Co-Ordinator
