## SUMMER PSSA BEHAVIOUR CONTRACT

I understand that to be a selected and participating member of a sporting team, I am required to follow the behaviour code of conduct below:

- I must maintain high standards of behaviour at school and when visiting other schools or sporting venues. I will abide by the school's Code of Behaviour, which means I will be fair, polite, safe and proud at all times, behaving in a responsible and respectful manner at school and while representing my school.
- I commit to attend **all training sessions and I will be there on time** to support my, and my teams, development. **If training is cancelled, a notification will be sent out via the Flexischools App.**
- If I demonstrate unsatisfactory behaviour, including receiving more than one red slip for misbehaviour, I understand that I may be suspended from participation in the next gala day or suspended for 2 PSSA rounds. Similarly, if I have poor attendance at training and/or come ill equipped to training and matches, this will also be deemed unsatisfactory behaviour.
- If my behaviour does not improve following this consequence, or if the behaviour is considered serious enough in the first instance, I may be removed entirely from the team.
- This decision may be overturned if I make a marked, sustained improvement in my behaviour and attitude. This will be determined by the Team Coach, Class Teacher and/or Executive.

**I agree with these conditions and will do my best to maintain the standard of behaviour that is expected of me at school and when I am representing the school.**

**Please sign and return to your coach (please circle):**
